Heal Your Soul!

Discover Your Personal Blueprint for True Inner Healing

With Mother Mary, the Maha Chohan, and Hermes the Thrice Greatest

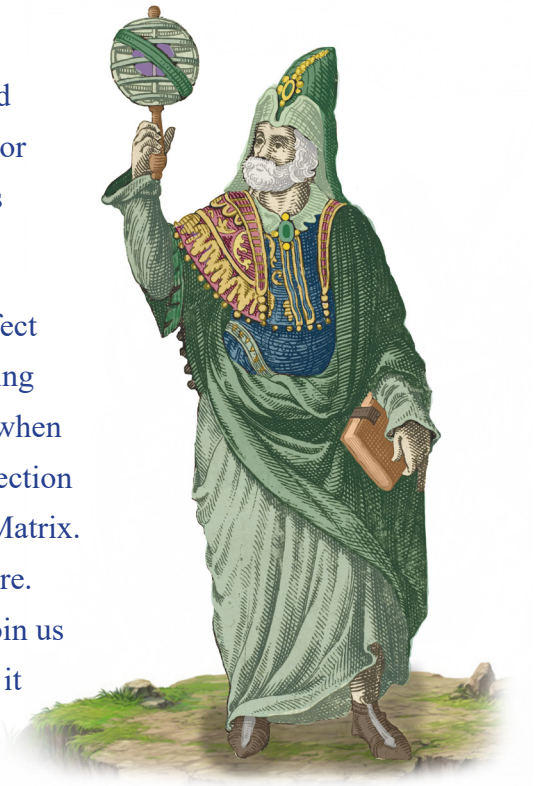

July 7-10, 2020

WHAT IS HEALING?

For many, healing is returning the body to a state of physical and emotional well-being, energy and wholeness after a time of injury or disease. But this only accounts for the surface of being. In the eyes of the ascended masters, healing takes on a much deeper meaning.

They speak about a state of profound inner wholeness—the perfect balance between Spirit and soul. And they tell us that all real, lasting wholeness flows from the inner blueprint stamped upon our souls when conceived in the womb of Spirit. Most people have lost their connection to this inner blueprint, also called the Emerald Tablet or Emerald Matrix. Yet, it can be regained and restored by the alchemy of the sacred fire. This unique Summit University seminar will show you how. So join us and learn what the Emerald Matrix really is, and how to reactivate it in your life!
