

The Path of the Bodhisattva, Part I Develop the Compassionate Heart

With Kuan Yin and Gautama Buddha

NOVEMBER 18-20, 2020
MINNEAPOLIS TEACHING CENTER
6035 Nicollet Ave. S., Minneapolis, MN 55419

The path of the Bodhisattva is the path of love, of laying down one's life for one's friends—to love all life free. It is the path of the unascended masters of the Himalayas—ageless saints who hold the balance by radiating light into this world. It is the path of ascended masters who choose to remain with earth to teach and help its evolution. And it is the path of those of us on earth who desire to follow in their footsteps.

A Bodhisattva has deep compassion for all souls evolving on this planet. But where does one find the path? The heart learns from the Bodhisattvas Kuan Yin how to develop the path of compassion.
