The Path of the Bodhisattva, Part 3

Develop the Fiery Heart

with Saint Germain, Lord Lanto and the Buddha of the Ruby Ray

NOVEMBER 18-20, 2020

MINNEAPOLIS TEACHING CENTER

6035 Nicollet Ave. S., Minneapolis, MN 55419

The path of the Bodhisattva is the path of Love, of laying down one's life for one's friends—to love all life free. It is the path of the Christed Ones who willingly bear the burden of a wayward humanity. It is the path of the unascended masters of the Himalayas—ageless saints who hold the balance by radiating light into this world. It is also the path of ascended masters who choose to remain with earth to teach and help its evolutions, rather than continue on to higher planes of existence. It is the path of those who have chosen to remain on earth to help us on earth who desire to follow in their footsteps.
