

We are determined, blessed hearts! And I tell you, rare is the moment when heaven has opened itself to reveal to the children of the light just how determined we are that you will win in this fight! -Mighty Victory

Week 27

"The Sign of the Golden V Drawn in the Cradle of the Inner Retreat," dictation delivered by Mighty Victory July 5, 1981

Before you begin your study of Chapter 27, we want to tell you about the Inner Retreat.

The Ascended Masters have spoken of the Inner Retreat in southwestern Montana as the Place of Great Encounters and have revealed at least 31 dispensations for the Inner Retreat.

The Heart of the Inner Retreat

Main Sanctuary at the Inner Retreat

On April 18, 1981, Gautama Buddha arched the flame of Shamballa to the Inner Retreat as the Western abode of the Buddhas and the bodhisattvas and the bodhisattvas-to-be who are the devotees of the Mother light.

Beloved Jesus announced on May 31, 1984, that to this Inner Retreat, this "Place Prepared," Lord Maitreya had come again to re-open his Mystery School, which had been withdrawn from the physical octave just prior to the sinking of Lemuria.

In the tradition of the world's religions, seekers come for truth, to retreat, meditate, commune with nature, attend Summit University seminars, participate in quarterly conferences, or participate in community life. Some stay for six weeks or a year, others a

lifetime. Professionals of all ages, families, the retired and the young call this "Inner Retreat" home.

We hope to see you soon at the Inner Retreat!
