Sanat Kumara is known as the Ancient of Days. He is the Great Guru of the seed of Christ throughout cosmos, hierarch of Venus and one of the seven holy Kumaras (Lords of Flame who represent the seven rays on Venus). He initiates us on the path of the ruby ray, which he sets forth in his book *The Opening of the Seventh Seal*. He held the hierarchical position of the Lord of the World since the darkest hours of earth's history when her evolutions fell to the level of cavemen and lost contact with the God flame and the mighty I AM Presence.

When the earth was at the point of being dissolved because there was no one who was keeping the flame of the Christ consciousness alive, Sanat Kumara came to earth, a voluntary exile from his planet Venus, to keep the flame until sufficient numbers among mankind would

respond and begin once again to maintain the focus on behalf of their brothers and sisters. One hundred and forty-four thousand souls volunteered to assist Sanat Kumara in his mission and accompany him with legions of angels.
