Study Questions
for
The Mandate of Victory
Mark L. Prophet/Elizabeth Clare Prophet

**Dictation: “The Initiation of the Ten,” October 15, 1972 (Chapter 15, pp. 140-144)
published in the *Pearls of Wisdom*® Vol. 43 No. 7, February 13, 2000**

Study Question 1

- What graces and blessings did Beloved Victory bring with him in this dictation? (pp. 140-141)
- Please describe the initiation of the “test of the ten.” What ascended master gives us this initiation? What expectation does Victory place upon those who ask for this initiation? (pp. 140)
- What can you expect to receive when you pass this initiation? (pp. 140-141)

Study Question 2

- Beloved Victory strongly admonished us not to forget his dictation. He said that the power of darkness will make us to forget his words. (p. 142)
- Record Victory’s admonishment in your Victory Journal and list two to three ways you will keep his message in the forefront of your consciousness? (p. 142)

Study Question 3

- Victory delivered a stupendous dispensation to help us to pass the initiation of “the test of the ten.” Please describe the dispensation and the powerful import this dispensation has for you to embody the spirit of Victory. (p. 141-143)
- What specific identity did Victory transfer to us? (pp. 142-143)

Study Question 4

- Please reflect on the following words of Victory.

“I want to tell you that it is my cosmic office and my authority to bring you this momentum of victory. I have given my all for a million years to be able to stand

in this place and bequeath this momentum to you. It has been no sacrifice but a rejoicing.

In your octave, however, it would be counted a sacrifice. Therefore, I say, fear not to make the sacrifice of the little self to prove the groundwork of the Great Self so that you, too, can become the benefactors of the race, of the planet, and of the solar system by the power of Mighty Victory, *by the power of Mighty Victory! by the power of Mighty Victory!*—whose mantle is given to you this hour to wear, as long as you determine to efface the little self and edify, glorify and resurrect the Great Self.” (pp. 142-143)

- Write a letter of gratitude to Victory this week for his tremendous service to mankind; then burn the letter and ask the angels to deliver it to the master.

NOTE: You may want to keep a copy of the letter in your Victory Journal.

- Then as you go about your week’s duties and responsibilities, let your actions “...efface the little self and edify, glorify and resurrect the Great Self.”
- Record your week’s experiences in your Victory Journal.

Study Question 5

- After bestowing upon us the mantle of “the power of Mighty Victory”, the master declared, “So, then, burn on, fires of victory! ...Burn on, for, I Victory, declare it!” (p. 143)

Throughout the remaining weeks, activate this mantle by reciting the following fiats that he delivered:

***In the name of Alpha and Omega,
I initiate the age of Victory!***

***Cycles of Victory appear!
Cycles of Victory appear!
Cycles of Victory appear!
Spirals of Victory descent!***
